

## For Your Health Series sponsored by Passavant Hospital Foundation

**Passavant Hospital Foundation** partners with CCAC North Campus to provide a wide variety of health and wellness education programs **free to the public**. The courses below feature speakers who are top-notch physicians, clinicians, and researchers providing up-to-date medical information in layperson’s terms. The sessions are interactive with time for questions and answers. **A Certificate of Attendance for 2.0 hours is awarded for these seminars.** UPMC Passavant is a hospital accredited by The Joint Commission and an approved provider for continuing education requirements for professional nurses.

**Registration is required. Call 412-788-7546 to register.**

### Cancer and Cardiovascular Care

**Tuesday, February 14, 2023**                      6:30 PM - 8:30 PM                      CCAC North Campus

Cancer and Cardiovascular Care will be presented by Venmathi Indramohan, MD from UPMC Passavant Heart and Vascular Institute.

You will be able to define at risk patient population, evaluate diagnostic modalities and treatment options, and have a look into novice emerging concepts in cardio oncology care.

**Speaker: Venmathi Indramohan, MD UPMC Passavant Heart and Vascular Institute**

### Advances in Breast Imaging

**Tuesday, March 14, 2023**                      6:30 PM - 8:30 PM                      CCAC North Campus

Join Terri-Ann Gizienski, MD Chief of the Clinical Breast Division at UPMC as she talks about new technologies in breast imaging, discusses current recommendations for breast imaging studies and what radiologist looks for on your breast imaging studies.

**Speaker: Terri-Ann Gizienski, MD Chief of the Clinical Breast Division at UPMC and Co-Director of Hamot Breast Center**

### Tick Borne Diseases in Western Pennsylvania

**Tuesday, April 11, 2023**                      6:30 PM - 8:30 PM                      CCAC North Campus

Join Libby Ernharth to learn Lyme Disease, anaplasmosis and other looming tick borne diseases in the area. Along with reviewing the epidemiology, presentation and treatment options through local patient case studies.

**Speaker: Libby Ernharth MPAS PA-C Infectious Diseases, Romano, Pontzer & Associates**

**Passavant Hospital Foundation** advances the health and wellness for ALL in our community:

- Providing facilities, technology, and equipment at our hospital to support excellence in patient care
- Presenting free health education seminars for everyone in the community
- Offering support groups for families affected by a loved one’s addiction
- Forming community partnerships for greater impact on health concerns that affect us all
