

For Your Health Series sponsored by Passavant Hospital Foundation

Passavant Hospital Foundation partners with CCAC North Campus to provide a wide variety of health and wellness education programs **free to the public**. The courses below feature speakers who are top-notch physicians, clinicians, and researchers providing up-to-date medical information in layperson’s terms. The sessions are interactive with time for questions and answers. **A Certificate of Attendance for 2.0 hours is awarded for these seminars.** UPMC Passavant is a hospital accredited by The Joint Commission and an approved provider for continuing education requirements for professional nurses.

Registration is required. Call 412-788-7546 to register.

What are Nerve Blocks and Why You Should Get Them!

Tuesday, September 13, 2022 6:30 PM - 8:30 PM CCAC North Campus

Learn the pros and cons about regional anesthesia and why it should be a part of your post operation pain plan. Charles Luke, MD will discuss the various nerve blocks and the experience of the Anesthesiologist who would be performing a nerve block during your post op.

Speakers: Charles B. Luke, MD, UPMC System Director Acute Interventional Perioperative Pain Services (AIPPS), Staff Anesthesiologist, UPMC Department of Anesthesiology and Perioperative Medicine Site Director of AIPPS, UPMC Passavant

Common Hand Conditions: Diagnosis and Treatment

Tuesday, October 11, 2022, 6:30 PM - 8:30 PM CCAC North Campus

Please join Dr. Gause to understand the etiology, common symptoms, and treatment of osteoarthritis of the hand and wrist and what you can do to manage your pain to remain active. A question-and-answer session will follow the presentation.

Speaker: Trenton M. Gause, MD, orthopedic hand, and upper extremity surgeon with Tri Rivers Musculoskeletal Centers

Updates in Lung Cancer
