

For Your Health Series

sponsored by Passavant

## Hospital Foundation

Passavant Hospital Foundation partners with CCAC North Campus to provide a wide variety of health and wellness education programs **free to the public**. The courses below feature speakers who are top-notch physicians, clinicians, and researchers providing up-to-date medical information in layperson’s terms. The sessions are interactive with time for questions and answers. **A Certificate of Attendance for 2.0 hours is awarded for these seminars.** UPMC Passavant is a hospital accredited by The Joint Commission and an approved provider for continuing education requirements for professional nurses.

**Registration is required. Call 412-788-7546 to register.**

### Solutions for Hip or Knee Pain

**Tuesday, September 12, 2023** 6:30 PM - 8:30 PM CCAC North Campus

Learn how you can manage – and possibly even eliminate – debilitating arthritic joint pain. Join Eric Chen, MD, orthopedic surgeon at Tri Rivers Musculoskeletal Centers and UPMC Passavant’s director of anterior hip surgery, to explore your options. Dr. Chen will explain the anatomy behind your pain and share the latest nonsurgical treatment options, from injections to physical therapy. He’ll also discuss the benefits of new surgical advancements that include Direct anterior hip surgery, Robotic surgery, and Total and partial joint replacement surgery. Questions and Answer Session will follow.

**Speaker: Eric A. Chen, MD, Director, Anterior Hip Surgery at Tri Rivers Musculoskeletal Centers**

### Updates in Colorectal Screenings

**Tuesday, October 10, 2023** 6:30 PM - 8:30 PM CCAC North Campus

David S. Medich, MD (Chief, University of Pittsburgh Physicians’ Division of Colon and Rectal Surgery) will speak about colorectal cancer screening guidelines, what we’re seeing as a practice as we continue to emerge from years of COVID restrictions and will offer discussion about his thoughts regarding Cologuard and it’s role in proper screening.

**Speaker: David S. Medich, MD, University of Pittsburgh Physicians, Chief, Division of Colon and Rectal Surgery, UPMC Passavant**

### Updates in Lung Cancer Screening

**Tuesday, November 14, 2023** 6:30 PM - 8:30 PM CCAC North Campus

Join Physician Assistant, Theresa Celender as she reviews up to date recommendations for lung cancer screening in patients who smoke cigarettes. Will also review basics of lung cancer identification, work up, and treatment.

**Speaker: Theresa Celender, MPAS, PA-C, FAPACVS, Physician Assistant, Expert, Department of Thoracic Surgery at UPMC Passavant**

**Passavant Hospital Foundation** advances the health and wellness for ALL in our community:

- Providing facilities, technology, and equipment at our hospital to support excellence in patient care
- Presenting free health education seminars for everyone in the community
- Offering support groups for families affected by a loved one’s addiction
- Forming community partnerships for greater impact on health concerns that affect us all
